## Skill Tree: Color in the boxes and level up your skills

Use for individuals or as a group by picking a colour each and coloring in a part of the box. Everyone's journey is different and you can interpret the goals flexibly. The aim is to inspire you to learn and try new things. Not everything needs to be completed.

(set your own goal)

Make your own

vice or clamp

Create a

new woodworking

design on paper

Learn to use

a lathe

Make

something as a gift

Use mortise

and spokeshave

(set your own goal)

Teach a woodworking class

Make a very large woodworking project

(set your own goal)

Design something and publish instructions for others to use

Learn to

Create a large

piece of furniture

Mill and dry your own lumber from a tree

(set your own goal)

Use a live edge in a project

Fit drawers in a storage project

Make something

steam bend timber
