WOODWORKING

Skill Tree: Color in the boxes and level up your skills

Use for individuals or as a group by picking a colour each and coloring in a part of the box. Everyone's journey is different and you can interpret the goals flexibly. The aim is to inspire you to learn and try new things. Not everything needs to be completed.

(set your own goal)

Teach a woodworking

Use a laser

cutter

Use a CNC Lathe

Design something and upload instructions online for others to use

Learn to

steam bend timber

دااع

Create a large

piece of furniture

Carve decorative panels to use

in a project

a∯e
