ASTRONOMY

Skill Tree: Color in the boxes and level up your skills

Use for individuals or as a group by picking a colour each and coloring in a part of the box. Everyone's journey is different and you can interpret the goals flexibly. The aim is to inspire you to learn and try new things. Not everything needs to be completed.

(set your own goal) Build an Contribute data to the AAVSO observatory Visit Stellafane Experience a View Pluto or other major solar eclipse convention *** (**(Observe from Image a Grind a telescope Observe a nova satellite the other hemisphere mirror () Visit Bortle View a comet View an asteroid class 1 6 133 See a Image and Visit Bortle Build a telescope geostationary satellite animate motion class 2 O.
