radio license

::::

Go on a camping

trip in a desert

Go abseiling

Teach a friend a

survival skill

Learn safe

foraging skills

Build an

improvised shelter

Identify local

plants and wildlife

Learn food and

hygiene safety

A

Boil water

on a camp fire

Get a multi-tool

XII

Use for individuals or as a group by picking a colour each and coloring in a part of the box. Everyone's journey is different and you can interpret the goals flexibly. The aim is to inspire you to learn and try new things. Not everything needs to be completed.

(set your own goal) (set your own goal) (set your own goal) (set your own goal) Go on a trip for 5 Build an days or longer improvised snow shelter Learn food Go on a multi Go on a camping preservation day hike trip in winter or techniques snow conditions 13 Get a position Hike up a Repair a hole in a fix by triangulation mountain tarp or tent 1 Navigate using Optimize a hiking Go bikepacking the stars kit for weight **₩** 4 Build a solar Start a fire Learn to sharpen power supply with a bow and care for tools <u>()</u> Navigate by Go on a camping Go on a sailing or dead reckoning trip in a tropical houseboat trip area Learn to check Sleep under the Learn how to cross weather, tides and a waterway safely stars conditions W Cook a roast on a Learn techniques Go on a for signaling for campfire canoe hike help Make an Sleep under Whip or splice the improvised raft a tarp end of a rope Learn mental Shoot a fire arm Make a water health first aid or bow filter + Learn to tie a Bathe in a solar Learn how to use a bowline shower compass Get suitable Prepare water and Learn to make clothing and shoes damper food for a camping 4 Learn how Pick up rubbish Go orienteering to tie down a load on a hike on a vehicle Learn SOS in Go hiking in an Cook a meal on a morse code unfamiliar area campfire 4 Learn to tie a Learn how Build a survival reef knot, sheet bend to read a map kit and rolling hitch Build a simple Learn how to make Go camping clean and safe water shelter Learn about any Learn the environmental hazards to swim priorities of survival in your area Learn fire safety Plan a hike or Make a safety plan and how to put out camping trip and share your trip a fire properly details with others Go hiking in a Build a Buy a first aid Q familiar area kit campfire
